March 30, 2020

Dear Apartment Residents,

This morning as I was getting ready for work, this scripture from 2 Timothy 1:7 was on my mind and in my heart. “For God has not given us a spirit of fear, but of power and of love and of a sound mind.”

All of our Living Care staff are focused and working hard right now on your behalf, in a spirit of love and focused on keeping a sound mind, to make wise decisions that help keep all of us safe.

As of today, we still do not have any confirmed cases of COVID-19 on our campus. There are 2 nursing homes in Yakima with confirmed cases (staff and residents), and other facilities who are testing for possible COVID-19 cases. As of noon today, Yakima County has 157 cases of COVID-19, 9 individuals requiring hospitalization for their symptoms and 3 have passed away. We are working hard daily to reduce the risk of this virus spreading to our campus, our residents or our staff.

We consider it an honor to serve each of you during this difficult season. Don't hesitate to call us with any questions or concerns.

Thank you,

Eva Lounsbury
