Dear Residents,

Good news! We've been able to develop a plan for nail trims, as we know many of you are especially needing toenail trims. Starting this week, you can call the normal salon phone number (853-3020) and leave a message stating that you need to arrange nail trimming. The salon is still closed, so please don't come to the salon. We are just utilizing that phone number.

Jenny will call you back to arrange a time to have your nails trimmed. She will come to your apartment with proper protective equipment that will be changed between each resident.

Please note, this is for trimming nails only and is not a full manicure or pedicure. She will not be painting nails, only trimming, as we consider proper nail maintenance a medical necessity.

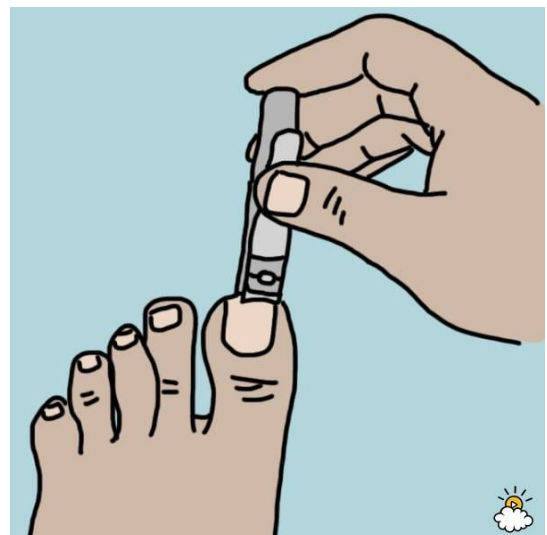

The cost of this will be \$15 to trim just your toenails, or \$20 if you need both toes and fingernails trimmed. This will be charged to your resident account as a Living Care service. For this interim door to door service, Jenny cannot take payment by cash, check or accept a tip.

If you are diabetic or have serious nail issues, be advised that Jenny may need to refer you to your physician or a podiatrist.

Thank you.
