

## In Honor of May Day...

We're excited to announce that we've arranged some more **outside entertainment!**

In order to provide this safely, we need to request adherence to some guidelines outlined below. This entertainment will be offered in multiple areas on campus so the majority of you will be able to listen from inside your apartment (you may not see the musician but you should be able to hear with an open window – there is no “show” to see – just music to listen to).

Some of you are in apartments where you won't be able to hear well so we'll be offering outside seating for these residents (see instructions on the attached schedule). For those of you invited to come outside, please do not move chairs closer together as we need to maintain social distancing. Please also wear a face mask while outside. If you do not have one, please request from Resident Services prior to the event. Married couples may request that a staff person move two chairs together for them to sit together, if so desired.

Please help us provide entertainment like this by adhering to the following guidelines:

- During the scheduled times that the entertainers will be present on campus:
  - Unless you are offered an outside seating option on the attached schedule, please listen from inside your apartment with your windows or sliding doors open. If you have a patio/balcony you may come outside to this area to listen but please keep at least 6 feet between you and any other residents on neighboring patios.
  - If you are in the garden areas or walking on the pathway, please do not congregate or approach our guest musician.
  - Please do not congregate anywhere – we need to maintain social distancing.

If at any time or any location we see residents starting to congregate or not keeping at least 6 feet in between each other, we'll unfortunately need to end the program at that location and move on.

The piano may move some as needed at each location so that everyone has a chance to hear.

**Thank you for helping us provide some music to break up our long days by adhering to these guidelines.**

## Anne Schilperoort on Piano

- 10:00a Performance will be in the parking lot between Valley View & Gable View intended for the following residents:
- Gable View - East side, facing Valley View
  - Valley View - West side, facing the parking lot
- 10:30a Performance will be in the parking lot on the front/west side of Gable View intended for the following residents:
- Gable View - Front side, facing 40<sup>th</sup> Ave
- 11:00a Performance will be in the Cook apartment parking lot, intended for the following residents:
- Cook residents may listen from your south side windows
  - Senior View I may listen from your patios/decks
  - Senior View II residents, contact us if you'd like us to set up seating along the covered pathway for you to be able to hear better.
- 11:30a Performance will be on the north-east corner of the walkway behind the Valley View building intended for the following residents:
- Valley View – East side apartments, facing pathway
  - Valley View - South facing apartments, contact us if you'd like us to set up seating for you on the east patio outside the dining room.
- 12:00p Performance will be on the sidewalk on the north-east corner of the Living Court building, close to Hillcrest, intended for all Living Court residents:
- Living Court – north and east facing apartments, please stay in your apartment with windows open or you may stand on your patio (maintain 6 feet between you and your other patio neighbors).
  - Living Court – south and west facing apartments, we will be setting up seating along the pathways on both the north and east side of the building. You may leave your apartment and choose a seat in one of these locations to listen to the music.
- 12:30p Performance will be in the Village Center parking lot for all Living View residents:
- Living View – north facing apartments, please listen from your apartment
  - Living View - west, south and east facing apartments, we will be setting up seating outside in front of Living View and the Village center. You may leave your apartment and choose a seat to listen to the music.
