RETIREMENT COMMUNITY

RETIREMENT APARTMENTS: LIVING COURT • LIVING VIEW • GABLE VIEW • VALLEY VIEW • SENIOR VIEW • COOK

June 5, 2020

Dear Residents,

Today I'd like to send you some general information and reminders related to things happening on campus.

Window Washing:

Our window washers are just finishing up washing our outside windows. Soon housekeeping will be coming through each building to wash the inside of your windows. You will be notified ahead of time of your interior window washing day and we will ask that all personal items be removed from all window sills to allow housekeeping easy access to your windows.

Activities:

We will soon be providing some more information on upcoming activities to those who have expressed interest. Please note that for the time being, all activities will be RSVP required and will be building specific. Initially, we will be limiting all activities to a maximum of 5 residents at a time. We will also require all residents participating in activities to fill out a questionnaire prior to participation. Some residents may be temporarily excluded from group activities dependent on their level of potential exposure to the Corona Virus (for instance, if you have been off campus shopping recently or have been in close contact with someone from off campus). Each situation will be looked at individually.

Salons:

Hair salons are still not legally allowed to open. As soon as we are legally allowed to open the hair salons, we will do so. We will have extra safety protocols regarding processes in our salons when they open and we'll publish this information for you at that time.

Vial of Life:

Now is a good time to make sure all of your contact information and medical information in your Vial of Life is up-to-date. If you know that you have changes to make, or if you're not sure and would like to review, please contact Heather at 853-1850 so we can make sure your emergency information is correct.

Thank you,

Eva Lounsbury
Resident Services Director
