June 17, 2020

Dear Residents,

Happy Wednesday! I am so pleased to report that our campus STILL is COVID free! While our staff are still working diligently to help keep us all safe, we couldn't do it without all of your help and cooperation. While we can monitor each person who goes in and out of the healthcare buildings, in your independent apartment buildings, we rely heavily on you and your family and your cooperation to help keep us all safe. Thank you for your continued help and compliance with our safety guidelines. COVID cases continue to rise in Yakima, so we are not out of the woods yet. Gov. Inslee was in Yakima just yesterday talking about how Yakima is a "hotbed" for the virus. As such, we must all continue to stay diligent to keep all of us safe.

Activities Update: Many of you have signed up, or are in the process of completing paperwork, to join a fitness class, devotional or drive outing. I would like to urge you all to be very patient with this process and work cooperatively with our Activities Director, Jennifer Vimont. With just these 3 new activities added onto a weekly schedule, there are now over 60 activities/events on our weekly activity calendar in order to maintain only 5 people per class/event and proper sanitation and safety protocols. As you can imagine, this is a lot of logistics to manage. Many people are still completing paperwork so they may be assigned to a class but not yet attending. Some people will not make it to every class/event each time so at times, there will not be 5 people in each class. Please be patient as we work to get every interested resident through this process and able to take part in one of these activities. Your cooperation with this process by only attending activities at the time/location you are assigned is key to its success. Once we are through the process of getting everyone scheduled for the activities they are interested in, then we will be able to consider any further adjustments or requests. Thank you for your understanding.

Have a wonderful day!

Thank you,
Eva Lounsbury
Resident Services Director
