Jan. 20, 2021

Dear Residents,

We have finally received word that Walgreens **WILL** vaccinate our Independent Residents here on campus. The vaccination clinic date will be Friday, January 29th. This will take place in the Meyer Auditorium. We'll confirm the clinic time at a later date, but it will likely be sometime within the noon to 3:00 pm window of time.

Prior to that date (**as soon as possible**), we need you to please bring your Medicare card and any other insurance and prescription coverage cards to the Resident Services office so that we can complete this information on your Vaccination Consent Forms and have you sign these forms. We need to have these completed prior to the Vaccination Clinic day. Below is a picture of the section we will be filling out on these forms. Please stop by the office at your earliest convenience so that we can get this information filled out and your forms ready for next Friday.

If you have changed your mind regarding whether you want the vaccine, we need this information by this Friday, Jan. 22nd. The vaccines need to be pre-thawed so we cannot make any changes after this date.

SECTION C INSURANCE – PATIENT TO COMPLETE IF APPLICABLE

Please ensure to record BOTH pharmacy AND medical insurance information since there are multiple ways immunizations can be billed at Walgreens.

Non-Medicare:	Pharmacy Card	Medical Card	Medicare:	Medicare Part B
Insurance Plan/Plan ID:			Medicare Number*:	
Member/Recipient ID #:			<small>*Medicare Claim Number for cards distributed earlier than 2018.</small>	
RX BIN:		N/A		
RX PCN:		N/A		
Group Number:				

Is the patient the cardholder? Yes No

If no, please provide cardholders name, date of birth (MM/DD/YYYY) and relationship:

Thank you,

Eva Lounsbury
Resident Services Director
