Feb. 8, 2021

Dear Residents,

On February 2nd, Groundhogs Day, Punxsutawney Phil predicted 6 more weeks of winter. You sure would not know this based on the beautiful weather we have been having! With the sun shining it makes me almost giddy for spring – spring flowers, spring walks. After having been couped up all winter with lock-downs and social distancing, I'm sure we all are eager for some reunions amongst friends and family, fresh air and catching up.

As we progress towards this end, I have information for you about the second COVID vaccine clinic. This will take place on Friday, February 19th. This will once again take place in the Meyer Auditorium. Please see scheduled times by building below:

9:15 Living Court

10:00 Living View

10:45 Gable View

11:30 Valley View

12:15 Senior View, Senior View II, Cook

At the last clinic, Walgreens had some trouble matching Medicare numbers to names. They've asked that we include the last 4 digits of your social security numbers on the forms to help with processing these charges with your insurance, whether Medicare or otherwise. As such, between now and Wednesday, February 17th, would you kindly contact Heather Summers here in our office and provide the last 4 digits of your social security number for the forms. You can reach her at 853-1850.

Thank you,

Eva Lounsbury

Resident Services Director
